AN ORDINANCE ADOPTING A NEIGHBORHOOD REVITALIZATION PLAN AND DESIGNATING A NEIGHBORHOOD REVITALIZATION AREA.

WHEREAS, the City Commission of the City of Pittsburg, Kansas, pursuant to the authority provided in K.S.A. 12-17, 114 et seq. wishes to adopt a plan to assist the revitalization of certain designated areas of the City of Pittsburg; and

WHEREAS, the City Commission of the City of Pittsburg, Kansas, pursuant to public notice did hold a public hearing on November 22, 2016, to hear and consider public comment on the Neighborhood Revitalization Plan.

NOW, THEREFORE, BE IT ORDAINED:

Section 1: Neighborhood Revitalization Plan. That the City Commission does hereby adopt the Neighborhood Revitalization Plan, attached herein, labeled Exhibit A and incorporated by reference as if fully set forth herein.

Section 2: Designation of Neighborhood Revitalization Area. That the City Commission hereby designates the real property described in I. of the Neighborhood Revitalization Plan as the Neighborhood Revitalization Area, and finds that the following conditions exist within said Area: 1) a predominance of buildings or improvements which, by reason of dilapidation, deterioration or obsolescence, are detrimental to public health, safety and welfare; 2) a substantial number of deteriorated or deteriorated or deteriorating structures which impair the sound growth of the city, retards the provision of housing accommodation and constitutes an economic liability; and/or 3) a predominance of buildings which, by reason of age, history or architecture, are significant and should be restored to productive use, and finds that the rehabilitation, conservation and redevelopment of said area is necessary to protect the health, safety and welfare of the residents of the City.

Section 3: Neighborhood Revitalization Fund. That the City Commission understands that Crawford County Board of Commissioners has created a Neighborhood Revitalization Fund to finance the redevelopment of the revitalization area and to provide a rebate of property tax increments as set forth in the Neighborhood Revitalization Plan

Section 4: That this ordinance shall be in full force and effect upon the 22nd day of November, 2016. Passed this 22nd day of November, 2016.

The minimum renovation/construction investment required to qualify for this NRP is \$5,000 for residential property and \$10,000 for commercial and industrial property; this investment will qualify the property owner for a rebate of the incremental increase in property taxes for five years following the completion of renovation/construction.

- Step 1: Owner will obtain an application for the Neighborhood Revitalization Program from either City Hall (201 West 4th Street), the City of Pittsburg Community Development & Housing (CD&H) office (603 North Pine Street), or on the City of Pittsburg's website.
- Step 2: Owner will complete Part One of the Application and submit it to the CD&H office.
- Step 3: CD&H Manager will review the Eligibility Criteria (page 18 of this Plan) and notify the owner whether or not the project is approved for the Neighborhood Revitalization program within fifteen (15) working days.
- Step 4: CD&H Manager will forward a copy of Part One of the Application to the City Building Services and County Clerk for notification and monitoring purposes.
- Step 5: Owner will complete Part Two of the Application and return it to the Building Services department at City Hall, at which time they will obtain a building permit.
- Step 6: After obtaining the building permit, the owner may begin construction or renovation. Owner will follow the guidance of the Building Services department and the adopted City Codes, and will allow City Inspectors to review work as necessary.
- Step 7: After construction or renovation is complete, and the Building Officials have passed the inspections, when applicable, Owner will complete Part Three of the Application and return it to the CD&H Manager, who will notify the County Clerk and the County Appraiser, certifying the project is in compliance with the eligibility requirements for a tax rebate. The County will notify the Owner immediately.

SPECIAL CIRCUMSTANCES

For any project which is only partially completed as of January 1st of any year following the commencement of construction:

The Owner will file Part Three of the application with the County Appraiser indicating the status of construction as of January 1st. Part Three shall be completed on or before December 15th, preceding the commencement of the tax rebate period.

For any improvement that is completed on or before January 1st, following the commencement of construction:

The owner/applicant shall file Part Three of the application on or before December 1st preceding commencement of the tax rebate period, certifying the completion of construction.

Soon after January 1st, the City Building Inspector's Office shall conduct an onsite inspection of the construction project (improvement, rehabilitation, or new) to confirm improvement and forward findings to the City of Pittsburgh's Community Development & Housing Office. The tax records shall be revised accordingly.

REIMBURSEMENT OF PROPERTY TAXES

After the Owner pays the increased property taxes in full, for the initial and each succeeding year period extending through the specified rebate period, and within a thirty (30) day period following the date of tax distribution by Crawford County to the other taxing unit, a tax rebate in the amount of the tax increment increase will be made to the owner. The tax rebate will be made by the County Treasurer of Crawford County through the Neighborhood Revitalization Fund established in conjunction with the other taxing units participating in an interlocal agreement. An annual report shall be provided to the local taxing units.

Following establishment of the increase in assessed value resulting from a specific improvement, the fixed rebate shall be applied to any change in assessed value or mill levy during subsequent years.

STATEMENT SPECIFYING REBATE FORMULA

The Neighborhood Revitalization fund and tax rebate incentive program shall expire or be re-instated on December 13, 2021; however, the program may be reviewed annually at which time City staff may propose modifications and extensions. The program will be reviewed in the fifth year to determine if an extension is beneficial to the continuance of the program.

The Rebate period shall be for a period of five to twenty years, depending upon the amount invested in the improvements, following completion of the project for which an application was approved. The Rebate amount shall be for 100% of the total increase in assessed value based upon any improvement or new construction.
