Portion of North Broadway Street to Remain Closed through Friday, May 26th

PITTSBURG, Kansas – Work will continue on the construction of the street approach to the new Tractor Supply Store; therefore, the outer southbound lane of North Broadway Street from 29th Street to the Arby's Restaurant will remain closed through next Friday, May 26th. Work was expected to be completed by May 20th, but the contractor has requested additional time to complete the work.

Traffic cones/barrels and advanced warning signage will be placed along this segment of North Broadway Street. Southbound traffic will merge into the inside lane of North Broadway Street. Access will be provided to the local businesses and for emergency personnel to gain access to the properties in this area. Both northbound lanes will remain open.

The City of Pittsburg appreciates the patience of motorists and residents while this work is being performed. Please contact the Public Works Department at (620) 231-4100 with questions regarding this project.
