

**PITTSBURG AREA FARMERS' MARKET
COMMUNITY GROUP APPLICATION**

The Pittsburg Farmers' Market operates as a dynamic, producer only, farmers market that contributes to the success of local food growers and producers by serving as a business incubator to strengthen our local economy and serve as a community gathering place while contributing to the education and health of southeast Kansas residents.

Community Groups:

Community Groups are welcome at the Market with board approval and as space is available. Groups must complete the market application process. Organizations with political missions will not be accepted as the Market strives to provide an enjoyable experience for everyone in a non-political environment. Community groups are limited to three (3) appearances per season. Applications must be received two weeks prior to desired Market appearance.
